Complete your registration details online now and choose whether to delay activation until your arrival in Leeds, or activate straight away, it's your choice. Just go online to our website and follow the 'New Patients' link, or use the QR code on the right. **If you complete the forms now it's one less thing you have to do when you arrive.**

How to organise your free NHS registration with us

1. Complete your online registration at:
www.leedsstudentmedicalpractice.co.uk/join/
or snap the QR code above
2. Or complete the forms included with this flyer and return them in the FREE POST envelope provided
3. Or download a registration form from our website and post it in an envelope marked 'FREE POST LEEDS STUDENT MEDICAL'
4. Or bring the completed forms to the medical practice during opening hours: Monday to Friday 07:00 to 19:00 and, during term time, Saturday and Sunday 09:00 to 13:00

We provide a warm welcome for UK and International students and have experience in dealing with all the common medical issues you might encounter, for example: mental health, contraception and sexual health, and sports injuries. Located very near to the University campus, we have both 'same day' and booked appointments available.

Meningitis ACWY Vaccination

If you are attending university for the first time and are under the age of 25, you should ensure that you have had a Meningitis ACWY vaccine before you come to Leeds. Please see your home GP to arrange this.

If you are already in Leeds, please check our website or speak to a member of the practice team as soon as possible about how you can obtain the Meningitis ACWY vaccination that is available as part of the new students vaccination programme.
